Notwithstanding the foregoing, no assessment shall be due from Declarant. No assessment shall be due from any other Owner (including a contractor) until January 1, 2003. The annual assessment shall be prorated if the Owner first becomes obligated to pay the assessment other than on the first day of the year. The Declarant may voluntarily agree to pay assessments it is not obligated to pay hereunder, and in such event the Declarant may at any time thereafter elect to discontinue such payments. All sums are payable to the Association and shall be administered by the officers, members and directors of the Association and may be used for the functions hereinafter set out, it being expressly stipulated that the Association is empowered to perform any and all of said functions, but that it shall be under no duty to perform, or to continue to perform, any of said functions, to-wit:

- (a) Payment of the necessary charges and expenses of the operation of the Association.
- (b) Maintenance of all Structures, pavement, curbing, roads, irrigation systems, landscaping, lighting and utility lines, if any, located within any Common Areas.

- (c) Maintenance of any entrance sign area, including any related irrigation systems, landscaping and lighting, whether located within the Common Areas or within the right-of-way of a public road.
- (d) Payment for liability insurance with respect to the Common Areas if deemed necessary by the board of directors.
- (e) Payment of any expenses incident to the enforcement of this Declaration and restrictions, or the exercise of any powers conferred upon the Association by the terms and conditions of this declaration and restrictions.
- (f) The payment of property taxes and assessments, if any, which may be levied by any public authority upon the Common Areas.
- (g) Establishment of a maintenance and replacement reserve.
- (h) Such other purposes and functions as, in the opinion of the directors of the Association, are necessary for the general benefit of the Owners of Lots in Terrapin Pointe Subdivision.
- (i) Notice and Quorum. Meetings shall be called by the board of directors at such time as they elect and, in addition, upon petition to the board of directors by owner(s) owning at least Fifteen (15) Lots in the aggregate. In addition, after Declarant is no longer entitled to appoint the sole director.
- (j) Under Section 3 below, the board of directors shall call an annual meeting in October of each year. Written notice of any meeting shall be delivered personally or mailed to all members at their respective Lot addresses not less than 10 days nor more than 50 days in advance of the meeting. The purpose of the meeting shall be stated in the notice, and action at such meeting shall be limited to the matters disclosed in the notice. At the first such meeting of members called, the presence of members or of proxies entitled to cast sixty (60%) percent of all the votes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement. At the second such meeting of members called, the presence of members or of proxies entitled to cast thirty-three and one-third (33 1/3%) percent of all the votes of memberships shall constitute a quorum. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 2B. Capitalization fee. A one time capitalization fee will be charged and collected at closing. This fee is for the benefit of members during the transition period when the Declarant transfers total control to the members. The capitalization fee will be calculated as the annual assessment divided by 12 multiplied by 2.

Section 3. Board of Directors. The administration of the Association shall be vested in a board of directors. Until such time as all Lots, including all Lots in any additional phases annexed into Terrapin Pointe Subdivision, have been fully developed, permanent improvements constructed thereon and sold to permanent residents, the board of directors shall consist of one (1) director, which shall be Declarant or its designee. Thereafter, the board of directors shall consist of not less than three (3) nor more than five (5) members as elected by majority vote at an Owner's meeting at which a quorum is present. After Declarant is no longer entitled to appoint the sole director, election of the board of directors shall take place in October of each year at a duly called meeting of the Association. The Declarant may at any time in its

sole discretion elect to waive the right to designate the director. The provisions of this section shall not be amended without the consent of the Declarant.

Section 4. Liens. The annual assessment against an Owner shall constitute a lien and encumbrance upon the Lot of such Owner, and acceptance of a deed of a Lot shall constitute a covenant by the Owner to pay said assessments and charges, which covenant shall be for the benefit of the Association, the Declarant and the Owners of Lots in Terrapin Pointe Subdivision and which covenants shall run with the land and be binding upon any Owner, its heirs, successors and assigns. The Association shall have the exclusive right to take and prosecute all actions or suits, legal or otherwise, which may be necessary for the collection of said assessments and charges. In no circumstance shall the Declarant be required to pay assessments and a lien may not be placed against the Declarant.

Section 5. Foreclosure. In the event that it is necessary to foreclose the lien herein created as to any property, the procedure for foreclosure shall be the same as for the foreclosure of a Mortgage in the State of South Carolina.

Section 6. Limitations on Liens. The lien hereby reserved, however, shall be subject to the following limitations and exceptions, to-wit:

- (a) Such lien shall be at all times subordinate to the lien of any recorded Mortgage on any Lot, to the end and intent that the lien of any mortgagee, legal or equitable, shall be paramount to the lien for the charges and assessments herein, provided, further, that such subordination shall apply only to the charges that shall become payable prior to the passing of title by foreclosure sale or by deed in lieu of foreclosure, and nothing herein contained shall be held to affect the rights herein given to enforce the collection of such charges and assessments accruing after such foreclosure sale or deed in lieu of foreclosure.
- (b) Notice of liens shall be filed in the Office of the Clerk of Court, as appropriate, of Greenwood County, South Carolina. As to subsequent bona fide purchasers for value the lien herein reserved for charges and assessments due and payable shall be effective only from the time of the filing of such notice of lien; provided, however, that nothing herein contained shall affect the right of the Association to enforce the collection of any charges and assessments that shall become payable after the acquisition of title by such subsequent bona fide purchaser for value.
- (c) The lien herein created shall be subordinate to the liens of laborers, contractors or materialmen furnishing labor, services or materials in connection with the construction or alteration of any improvements located on any numbered lot, except that nothing herein contained shall be held to affect the rights herein given to enforce the collection of such charges or assessments accruing after foreclosure of any such lien or deed in lieu thereof.

Section 7. Future Additions. In the event Declarant subjects additional property to this Declaration pursuant to the provisions hereof, all Owners of Lots within such property shall be members of the Association subject to all provisions of this Declaration and restrictions and to the rights and powers of the Association.

Section 8. Withdrawal. The Declarant shall have the exclusive right at any time to withdraw from the Association, and to transfer to the Association all of the rights, powers, privileges and authorities granted to it as contained herein and elsewhere in this Declaration by giving written notice to the Association. Declarant shall also have the exclusive right to transfer and assign all of its rights, powers, privileges and authorities to, and to withdraw the same from, such other person, firm or corporation as the Declarant may select. In the event of such transfer and assignment all maintenance funds then on hand shall be forthwith paid over and delivered to the transferee or assignee so selected by the Declarant to be held for the purposes specified herein, and such transferee or assignee so selected by the Declarant shall hold the same for the purposes specified herein. Such transferee or assignee by accepting such funds shall assume all obligations of the Declarant hereunder, and Declarant shall have no further responsibility or liability with respect thereto.

Section 9. Uniform Assessment. All liens, charges and assessments created hereunder must be uniformly fixed, assessed, charged and collected on all Lots, each Owner to be charged equally without regard to the relative size or value of the Lots, provided however, that notwithstanding anything herein to the contrary, Declarant and all contractors shall not be obligated to pay assessments.

Section 10. Limitation of Liability and Indemnification. The Association shall indemnify every Board member and committee member against any and all expenses, including trial and appellate attorneys' fees and costs reasonably incurred by or imposed upon any officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he or she may be party by reason of being or having been a Board member or committee member. The Board members and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful malfeasance, misconduct or bad faith. The Board members and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such Board member or committee member may also be members of the Association), and the Association shall indemnify and forever hold each such Board member or committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any Board member or committee member may be entitled.

ARTICLE VII ENFORCEMENT

Section 1. Enforcement. Each Owner shall comply strictly with the covenants, conditions, restrictions and easements set forth in this Declaration. In the event of a violation or breach, or threatened violation or breach, of any of the same, the Declarant, the Architectural Review Committee or any aggrieved Lot Owner, jointly and severally, shall have the right to proceed at law or in equity for the recovery of damages, or for injunctive relief, or both. Failure by the Declarant, the Architectural Review Committee or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Abatement. In addition to the above rights, the Architectural Review Committee shall have the right to Abatement if the Owner fails to take reasonable steps to remedy any violation or breach within thirty (30) days after written notice sent by certified mail. The right of Abatement, as used in this Article, through its agents and employees, to enter at all reasonable times upon any Lot or Structure, as to which a violation, breach or other condition to be remedied exists, and to take the actions specified in the notice to the Owner to abate, extinguish, remove, or repair such violation, breach or other condition which may exist thereon contrary to the provision hereof, without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions, provided such entry and such actions are carried out in accordance with the provisions of this Article.

Section 3. Expenses. All expenses incurred by the Architectural Review Committee or the Association in enforcing this Declaration and restrictions, including costs of collection and reasonable attorneys' fees in the amount of 33% of the defaulted debt, together with interest thereon at twelve (12%) percent per annum, shall be a binding personal obligation of the Owner violating this Declaration and Restrictions.

ARTICLE VIII LOAN REQUIREMENTS

If any of this Declaration and restrictions shall be found to be contrary to the recommendations or policies of the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation or any other recognized institution, agency, public or private, granting or insuring loans or purchasing loans on the secondary market, and shall render any Lot in Terrapin Pointe Subdivision unacceptable for any such loan, the Declarant shall have the authority in its discretion to alter, amend or annul any such covenants and restrictions as may be necessary to make Lots in Terrapin Pointe Subdivision acceptable and eligible for such loans.

ARTICLE IX ANNEXATION

Without further assent or permit from any Owner or holder of a Mortgage on any Lot, Declarant, at its sole discretion, for itself, its successors and assigns, hereby reserves the right, exercisable from time to time, to extend the scheme of this Declaration to any other property contiguous to the Property that may be acquired by Declarant by filing for record a supplemental declaration in respect to the property to be then subjected to this Declaration. ("Contiguous" property includes property across a road and includes property contiguous to property previously annexed pursuant to this Article.) Any property so added may be designated as additional Lots, added to existing Lots, designated as Common Areas, or any combination of the foregoing. Declarant may impose different minimum square footage requirements, setback lines and other building requirements on lots within such additional property while otherwise subjecting them to this Declaration. Any provision hereof to the contrary notwithstanding, Declarant may expand existing Lots and redesign the dimensions of existing Lots in connection with the annexation of adjoining property. Nothing herein shall be construed as obligating Declarant to subject any other property to this Declaration.

ARTICLE X DAMAGE OR DESTRUCTION

Section 1. **Damage or Destruction Affecting Lots.** In the event of damage or destruction to the improvements located on any Lot, the Owner thereof shall promptly repair and restore the damaged improvements to their condition prior to such damage or destruction. If such repair or restoration is not commenced within one hundred eighty (180) days from the date of such damage or destruction, or if repair and reconstruction is commenced but then abandoned for period of more than ninety (90) days, then the Association may impose a fine of not less than One Hundred (\$100.00) Dollars per day on the owner of the Lot until repair and reconstruction is commenced, unless the Owner can prove to the satisfaction of the Association that such failure is due to the circumstances beyond the Owner's control. Such charges shall be a lien upon the Lot with the same priority and with the Board to have the same powers of enforcement as provided for assessments under Article VI hereof.

ARTICLE XI DURATION AND AMENDMENT

Section 1. **Duration.** The covenants, restrictions and other provisions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the owner of any land subject to this Declaration, their respective heirs, legal representatives, successors and assigns, for a term of twenty (20) years from the date this Declaration is filed for record in the Office of the Clerk of Court for Greenwood County, South Carolina, after which time said covenants and restrictions shall be automatically extended for such successive periods of ten (10) years unless an instrument signed by the then record Owners of seventy-five (75%) of the Lots has been recorded, agreeing to abandon or change this Declaration and restrictions in whole or in part.

Section 2. **Amendment.** Subject to Declarant's rights to amend this Declaration set forth herein, this Declaration may be amended at any time and from time to time only by an agreement signed by the Declarant, if the Declarant still owns one or more Lots. Thereafter there must be an agreement of the Owners of at least seventy-five percent (75%) of the Lots in Terrapin Pointe Subdivision. No amendment to the provisions of this Declaration shall alter, modify, change or rescind any right, title, interest or privilege herein granted or accorded to the holder of any Mortgage encumbering any Lot affected thereby unless such holder shall consent in writing thereto. Any such amendment shall not become effective until the instrument evidencing such change has been filed for record in the Office of the Clerk of Court for Greenwood County, South Carolina. The written consent thereto of any Mortgage holder shall also be filed with such amendment. Every purchaser or grantee of any interest in real property now or hereafter subjected to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that this Declaration may be amended as provided in this Section.

ARTICLE XII MISCELLANEOUS

Section 1. Applicable Law. The law of the State of South Carolina shall govern the terms and conditions of this Declaration.

Section 2. Severability. If any term of provision of this Declaration or the application thereof to any Person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Declaration and the applications thereof shall not be affected and shall remain in full force and effect and to such extent shall be severable.

Section 3. Definitions. Whenever used herein and appropriate, the singular shall include the plural, the plural shall include the singular, and any gender shall include the other.

Section 4. Captions. The captions in this Declaration are for convenience only and shall not be deemed to be part of this Declaration or construed as in any manner limiting the terms and provisions of this Declaration to which they relate.

Section 5. Notice. Any notice to an Owner required or permitted to be given pursuant to this Declaration shall be in writing and hand delivered or sent by prepaid mail to the Owner at the Owner's Lot address, or to such other address as the Owner may designate to the Declarant and the Association. Any such notice shall be effective upon hand delivery or mailing in conformity with this paragraph. If any Owner consists of more than one Person, notice to one Person as provided herein shall be notice to all.

Section 6. Assignment. Declarant may assign all or any part of its rights and reservations hereunder to any successor who take title to all or part of the Property in a bulk purchase for the purpose of development and sale. Such successor shall be identified, the particular rights being assigned shall be specified, and, to the extent required, concomitant obligations shall be expressly assumed by such successor, all in written instrument duly recorded in the Office of the Register of Deeds for Greenwood County, South Carolina.

Section 7. Zoning Laws. The provisions of this Declaration, as amended from time to time, are intended to act as the land use controls applicable to the Property, and in the event of a conflict or difference between the provisions hereof and of the Greenwood County Zoning Ordinance, the terms of this Declaration, as amended, shall control and supersede such Zoning Ordinance. Each Owner, automatically upon the purchase of any portion of the Property, is deemed to waive all protections afforded to him, now or in the future, under the Greenwood County Zoning Ordinance to the extent such Zoning Ordinance is at variance with the provisions of this Declaration.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed in its corporate name by its officer thereunto duly authorized and its corporate seal properly affixed hereto on the day and year first above written.

Who is a client?

A client is a person who establishes an agency relationship with and agrees to be represented by an agent in a real estate transaction.

A seller becomes a client of a real estate company by signing a formal listing agreement with a licensee associated with a company. Prior to any transaction this agreement must be in writing and must clearly establish the terms of the agreement and the obligations of both the seller and the licensee/company who becomes the agent for the seller.

A buyer becomes a client of a real estate company by signing a formal buyer agency agreement with a licensee associated with a company. Prior to any transaction this agreement must be in writing and must clearly establish the terms of the agreement and the obligations of both the buyer and the licensee/company who becomes the agent for the buyer.

Who is an agent?

An agent is the licensee who by mutual agreement will act on your direction and represent your interest above all others in a real estate transaction. In South Carolina once an agency relationship is created, the broker-in-charge of the company is considered to be the agent of the client, and all licensees with the company become sub-agents of the broker-in-charge representing that same client.

Acting on your behalf, your agent will negotiate for you the best price and terms in a real estate transaction. Your agent owes utmost loyalty to you, the client, and must pass on to you any information he or she knows which might influence your decision to buy or sell. You can rely on your agent to preserve confidential information provided by you. You can expect to receive timely accounting of money or property related to and received during your relationship with your agent.

What is a dual agent?

In certain situations, a licensee acts as an agent for and may represent the buyer and seller in the same transaction provided each has consented in writing prior to the transaction. This is called dual agency since one agent represents both parties and both remain clients of the company. The possibility and consequences of such an occurrence must be explained to you by the licensee.

Working with a dual agent is not the same as having your own exclusive agent! For instance, when representing both a buyer and a seller, the dual agent must not disclose to one party confidential information obtained from the other party. Also, a dual agent may not be the advocate for either party and cannot negotiate for nor advise either as to price or terms.

It is important that you discuss dual agency with the licensee in order to understand the limits of representation which a dual agent can provide. If requested by licensee, you must determine whether or not you would be willing to modify your established agency relationship and give your consent, thereby agreeing to limited representation by your agent.

Do you want to be a customer or a client?

Do you want only to receive information and assistance (customer) or to be represented (client)? To understand your options, discuss this with the real estate licensee with whom you are working. It is important to you and the licensee that your working relationship with the licensee be established and acknowledged and that you are aware of the services you will be provided. At your discretion, it may be advisable for you to obtain legal or other professional advice which you feel necessary to protect your own interest.

The signing of the acknowledgment of relationship disclosure does not alone create agency obligations (See *Who is a Client?*).
